Hotel & Resort Finance, Golf Courses & Sports Stadium

Please don't hesitate to contact us should your business not fall into one of the categories above.

Hotel and Resort finance

Equity Capital and Securities (London) focuses primarily on first class hotels in prime locations across Europe, North America and Asia, managed by internationally renowned operators.

The team consists of professionals with both working hotel experience as well as commercial lending expertise.

With in-depth knowledge of the hotel industry and resulting understanding of investors' needs, the team is able to provide custom tailored financing structures.

The hospitality industry has seen dynamic growth in recent years. Our experienced team serves to provide clients with a single platform for advisory and capital raising services.
